

Northside Missions

The Mission for Northside Church of God is to make lives better through Jesus Christ. We intentionally live out this mission in our local community as well as abroad.

We believe our church is to function as a mission house in Jacksonville. We value using our gifts and talents to serve our community, individually in the course of our daily activities, and corporately as we join together to make a difference in the lives of others.

We also believe our church is to have missional impact beyond the borders of our city. We financially contribute to several overseas missionaries and each year we send a work-camp team from our congregation to give physical support to a foreign mission.

If you would like to engage in making lives better here in Jacksonville and around the world, you are welcome to join us!
